Question: what are the measurements for this pouch?

By Lisa McManus on September 16, 2021

See more answers (1)

Strange the size is not in the description. I measured 9 1/2" wide by 7" long.

Not quite sure, I just recently bought a makeup bag from Amazon & it is great. That

looks like it would do well. Maybe small for a bunch of toiletries, but great for makeup!

Question: Exact size please?

Color: White | Size: 7.5-8.5 Women/7-8 Men | Vine Customer Review of Free Product (What's this?) I go through a lot of slippers because I don't like to be barefoot unless I'm on the beach - and I don't always want to wear regular shoes or sandals/flip flops. The style of these slippers is great for someone who wears them frequently. So many of them are flat and I don't feel like they are supporting my feet at all - but these have a quite nice footbed to them and a substantial sole. I've worn them for hours each day for several days now and I don't have any of the back or leg aches that "no support" shoes can give you. I wear a size 8 and the 7.5-8.5 fit perfectly. They are also cozy inside so whether or not you wear socks with them, they feel good.

enjoyed them for the day I got to wear them. They are soft and don't make your feet sweat.

to ensure their durability. . MULTIPLE USES: great to use at the beach, pool, vacation, travel, camping, holiday, weekend getaway, road trip, boating, overnight, even shopping groceries. It is a cute gift for women, mother, teacher, wife, girlfriend, daughter, sister and friends on birthday, Christmas, Mother's Day, Valentine's Day, Thanksgiving or any other big day. . EXCELLENT DESIGN: the bag can stand upright and has a built-in PE board bottom to better protect your belongings.
